Dear Mark:

I would like to thank you and your missionary association for donating bottled water to attendees of the Cheyenne Frontier Days parades this year. Because the weather was so very hot, I am certain that the water came as a welcome respite for many people and most likely kept some from being ill. It was a very kind gesture and we thank you for your kindness.

Sincerely,

(signed) Jack R. Spicer, Mayor

Exodus 18:17-18 "What you're doing is not good," Moses' father-in-law said to him. "You will certainly wear out both yourself and these people who are with you because the task is too heavy for you. You can not do it alone."

This has been a very busy year for me, and yet I have not been able to accomplish everything that I wanted to get done. Needless to say I realize now, more than ever, that I need help. Please do not misunderstand me. This year I have had so many volunteers give of themselves sacrificially. We had at least 40 volunteers come up from Texas, over 100 volunteers helped with Frontier Day Ministries, labeling water, cooking meals, handing out Bibles, loading and unloading water and even more volunteers going on mission trips, working on mission projects, preaching at mission sites, etc.

It is a joy to see so many people serving God! But what I do need is some strategists who can work with me in coordinating all of these volunteers and take on some of the responsibilities for these ministries. This way I will be able to coordinate more ministries in other areas and this gets me really excited.

If the changes in Frontier Association By-laws are approved I will be looking for four strategists: Evangelism, Health, Mission, and Prayer to come along side me to do ministry. I am praying that whomever they may be, that it will not just be an elected position but a position where God calls someone to serve. If you believe that God is leading you in this direction and have some questions, give me a call.

Sincerely,

Mark
